

CHAPTER 7

LIST OF PREPARERS

This EIS was prepared by an interdisciplinary team of staff from the BLM and Environmental Management and Planning Solutions, Inc. (EMPSi), with their supporting subcontractors. The following is a list of people that prepared or contributed to the development of the EIS.

BUREAU OF LAND MANAGEMENT	
Name	Role/Responsibility
Winnemucca District Office Interdisciplinary Team Members	
Jeanette Black	Hydrology, water quality/quantity
Robert Bunkall	GIS
Robert Burton	Vegetation, soils, and invasive and nonnative species
Lorence Busker	Wastes, hazardous and solid and public health and safety
Kathleen Cadigan	Special status species, T&E species, and general wildlife
Joey Carmosino	Recreation and visual resource management
Debbie Dunham	Land use authorizations
Samantha Gooch	Wild horses and burros
Mark Hall, PhD	NEPA compliance and Native American religious concerns
Peggy McGuckian	Cultural resources and paleontological resources
Kathleen Rehberg	Project Lead, geology, minerals, energy, transportation, and noise
Zwaantje Rorex	Wilderness and lands with wilderness characteristics
Michael Wells	Range resources
National Operations Center	
Tom Coulter	Air quality
Craig Nicholls	Air quality
Nevada State Office	
Thomas Olsen, PhD	Geochemistry and hydrology
Utah State Office	
Julie Suhr Pierce, PhD	Environmental justice, social values, and economics

CONSULTANTS		
Name	Role/Responsibility	Education
Environmental Management and Planning Solutions, Inc. www.empsi.com		
Jordan Adams	Soil resources and paleontology	BS, Environmental Sciences
David Batts	Principal-in-Charge	MS, Natural Resource Planning BS, International Development
Amy Cordle	Air quality and climate change	BS, Civil Engineering
Sean Cottle	Recreation, wilderness	BS, Ecohydrology
Carol-Anne Garrison	Paleontology	Master's Certificate, Project Management MA, Anthropology BA, Anthropology
Zoe Ghali	Socioeconomics and environmental justice	MS, Environmental Physiology Interdisciplinary Masters Certificate, Environmental Policy BS, Biology
Peter Gower	Lands and realty	MS, Land Use and Planning
Jeff Johnson	Environmental Planner and Public Outreach Specialist	BS, Conservation of Natural Resources
Jenna Jonker	GIS	BA, Geography
Kate Krebs	Visual resources	BA, Environmental Studies and Spanish
Holly Prohaska	Wild horses and burros	MS, Environmental Management
Jennifer Thies	Project Manager	MS, Resource Management BS, Conservation and Resource Studies
Morgan Trieger	Special status species, vegetation, weeds, migratory birds, fish, and wildlife	BS, Conservation and Resource Studies
Drew Vankat	QA/QC, travel management, noise, recreation, wilderness	MS, Environmental Policy and Planning BPhil, Environmental and Urban Planning
Liza Wozniak	Fish and wildlife, migratory birds, special status species, and livestock grazing	MS, Ecology MPH, Environmental Toxicology BS, Biology
Meredith Zaccherio	Fish and wildlife, migratory birds, vegetation	MA, Biology BS, Biology and Environmental Science
Geomega		
Chris Dacey	Hazardous materials and geology	BS, Hydrology MS, Earth Resources
Morgan Davies	Groundwater quality	BA, Environmental Studies
Andrew Davis, PhD	Closure and reclamation	BS, Applied Biology MS, Environmental Sciences (Geochemistry) PhD, Geology (Geochemistry)
Greg Kipp	Geochemistry, minerals, geology, hydrology, and hydrogeology	BS, Geological Engineering MS, Geological Engineering
Gordon McCurry	Hydrology, geology, water quantity	BS, Geosciences MS, Geology (Hydrology)
Gregory Nelson	Water quantity	BS, Geophysical Engineering

CONSULTANTS		
Name	Role/Responsibility	Education
Surya Sunkavalli, PhD, PE	Groundwater quality	BE, Chemical Engineering Environmental Engineering, NIKT PhD, Chemical Engineering
Western Cultural Resources Management		
Ed Stoner	Cultural/historic resources	BA, Anthropology MA, Anthropology
Teresa Wriston, PhD, RPA	Cultural/historic resources	BA, Anthropology MA, Anthropology PhD, Anthropology
Community Pasts		
Terri McBride	Native American consultation and ethnography	MA, Anthropology
